WAVERLEY HILLS

WINE OF SOUTH AFRICA

SHIRAZ
2007

The vineyards are pampered by crystal pure waters and virgin soils with cool south-easterly winds, which produce grapes of the highest standard.

Intense black cherry centre with purple rim. Fruit driven wine with plums and red berries complimented by fresh roasted mocha coffee aromas and tones of leather and spice. Fruit and coffee follow through on the palate with a long after taste of liquorice and spice.

Made with grapes that are in conversion to organic.
