The 5-course organic food and wine pairing will be served in our relaxed country atmosphere restaurant.

Organic products and local produce will be used for this taste sensation.

Our restaurant is open for lunch from Tuesdays to Sundays and dinner on Wednesday evenings. We are also open for functions, parties and weddings 7 days a week.

ESTATE TOUR & FOOD AND WINE PAIRING

Escape to our organic haven and enjoy a guided tour of the Estate. Explore our vineyards and olive groves and learn more about organic farming.

As a Biodiversity and Wine Initiative Champion we are committed to preserving the natural fauna and flora on the farm. Enjoy the Cape Floral Kingdom found in our Pynbos gardens, nursery and hiking trail.

At the cellar, take a minute to soak in breathtaking panoramic views of the valley before you go inside.

After the cellar tour, the delectable 5 course organic food and wine pairing awaits you and your senses.

All our wine and olive products can be bought at the tasting room after you have selected your favourites.

We are looking forward to having you experience the organic way of life we believe in at Waverley Hills.
